Handwritten notes in the left margin, possibly a list or index.

Main body of handwritten text, appearing to be a letter or a detailed account. The text is written in a cursive script and is mostly illegible due to fading and blurring. It seems to contain several paragraphs of prose.

The first edition of the
 new English grammar
 has been published in the
 form of a book & I think
 it is a very good one.
 I have been
 thinking of writing a book
 on the subject of English
 grammar for some time
 but have not had time
 to do so yet. I think
 it is a very good one.

In some, it is the author's intent
to publish a limited number
of copies of a history of British
birds corresponding in size to the
book, which will be complete in
your possession. With the letterpress
will be included (without extra
charge) plates of such eggs as
